Heart-hat

NOTE! This particular heart-pattern is derived from Ansku's heart mittens, found here:
http://www.ravelry.com/patterns/library/heart-mittens-2

Needle: 5mm (US 8), 60cm / 24 inches.
Main colour = 2 skeins. Contrast colour = 1 skein. (I recommend yarns with similar qualities to Drops Karisma, Sandnes Smart etc.). Adult size first, children's size in parenthesis. Change between diagrams for different designs. ☺

Cast on 92 (82), knit 10 rounds rib (knit 2, purl 2). Continue knitting 2 rounds garter stitch, while increasing 16 (8) stitches (total 108 (90)). Follow the pattern, start at the bottom right. After completing the pattern, continue knitting garter stitch until the hat is approximately 20cm / 8 inches (18cm / 7 inches). For a baggy fit, knit more. Cast off: 1 round knit 2 together. 1 round knit. 1 round knit 2 together. Cut the thread and needle it through remaining stitches. Fasten off securely.
